Dear Friend of the Incline:

We are about to embark on the second phase of the Incline parking project. The first phase involved putting in parking at the bottom of the Mound on Edgehill Drive. This should be completed within the next several weeks. The second phase is to landscape the Edgehill Drive side of the Mound. The landscape project is not an eligible project under our current friends of the Incline endowment. Therefore, we are pursuing a one-time capital campaign for the landscape project. Our goal is \$ 10,000.

We just received a \$ 1,500.00 grant from the **Community Foundation for the Alleghenies** to help us start this project. We are looking to the generosity of the public for the remainder. The labor for the project has been donated and the \$ 10,000 will be used to purchase, trees, shrubs and flowering plants. Already, people have commented on how much cleaner the Mound now looks and it will be magnificent when it is completed!

The **City View Bar & Grill** restaurant is open and has received great reviews. The Inclined Plane is open and has had steady ridership to date. It is great to see all these positive things happening and the future looks bright.

We ask for your help and with your support we will be able to make the Incline even more spectacular!

Thank you in advance for your consideration.

Sincerely,

Irving A. Cure
Executive Director
